

Dear Valued Business Owner:

I am applying to become a part of the 2012-2022 Rice Street Royalty as an ambassador candidate. Rice Street Royalty serves to empower women through community leadership. Rice Street Royalty Ambassadors provide the opportunity for professional development and mentorship from the Rice Street Royalty Alumni, to represent and volunteer in the Rice Street community, and network with other community ambassadors.

A requirement of my candidacy is to obtain a sponsorship. Your sponsorship will go directly to my entry fee into all required events, required attire, and for future leadership opportunities.

As a candidate sponsor you will be featured on the Rice Street Royalty social media pages through June of 2022, and your business name will be announced at all Rice Street Royalty hosted candidate events. Three women are selected to serve as ambassadors for the year, if I am one of them your name will continue to be showcased at all the events I attend.

Sponsorship fees are \$500. In light of Covid-19 related hardships, this year candidates may acquire 2 sponsorships at \$250 each to help our local businesses. In this situation both names will be announced or displayed equally. The sponsorship fee is due June 4th, 2021.

Sponsorship fees can be paid on our website under the donate tab. Please include my name in your description: <https://ricestreetroyalty.wixsite.com/ambassadors> Or checks made out to Rice Street Royalty mailed to our treasurer at the address listed:
